

# Emerald

self contained

Electronic controller

Front breathing

Removable refrigeration cassette

Stainless steel worktop

10 Amp power

Emerald cabinets are designed to perform in the harshest environments that kitchens can dish up. Through superior design and technology the Emerald Front Breathing range doesn't miss a beat. Whether the cabinet has a blown air well or drawers it is the pinnacle of refrigerated Australian made cabinets.

## Advantages

- 43°C ambient rating for hard working environments (32°C for LE3U)
- Coolsmart electronic controller for energy efficiency and even temperatures
- Easy clean covered internal liner
- Front breathing removable refrigeration cassette system for simple maintenance and easy servicing
- Waste heat recovery vaporiser system—no need for external drain
- Face mounted hinges for plinth mounting
- Longer life anti corrosive evaporator coil coating
- Threaded castors allow simple leg changeover if required
- Intelligent ducted airflow distribution for greater even temperatures
- Two sets of non tilt adjustable pan slides per door—2/1 Gn sized shelves included
- Peace of mind auto defrost (electric on freezer models)
- Designed and built to international quality standards for reliability and performance—HACCP compliant
- Interchangeable 2/1 Gastronorm racking system for total flexibility
- Optional long life heavy duty drawer systems with two and three drawer modules in both refrigerator and freezer
- Optional blown air well system (on refrigerator only) with directional air flow above and below the pan gives consistent temperatures
