

# Jade sandwich counter

self contained

Electronic controller

Blown airwell

Removable air ducts

Removable cassette

10 Amp power

Our Australian made and designed sandwich counters are engineered to perform in the harshest environments that kitchens can dish up. They are designed to highlight your fresh ingredients while providing you quick access, a large preparation area and huge storage space for the busiest kitchen.

## Advantages

- High ambient rating for hard working environments
- Coolsmart electronic controller for energy efficiency and even temperatures
- Fully enclosed stainless steel well under food pans—prevents food from dropping into cabinet
- Square glass canopy
- Polypropylene cutting board (10 mm thick)
- One plastic coated shelf per door
- Refrigerated blown air over and under ALL pans—maximizes food holding capacity and refrigeration efficiency
- Removable blown air ducts for easy cleaning
- Polycarbonate sliding lids over blown air well
- Stainless worktop
- Self closing solid doors
- Forced air refrigeration system contained in a removable cassette for easy servicing and maintenance
- Waste heat recovery vaporiser system—no need for external drain
- Longer life anti corrosive evaporator coil coating
- Swivel and brake castors
- Threaded castors allow simple leg changeover if required
- Designed and built to international quality standards for reliability and performance—HACCP compliant
- Face mounted hinges for plinth mounting
