

# Quartz

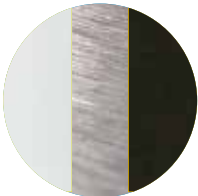

self contained

Electronic controller

Bottom mounted

Choice of finishes

LED lighting

10 Amp power

An Australian made cabinet with a choice of a one or two door model and optional glass door types. A proven performer in many areas of operation. A generous 670 litre capacity in the two door model and all in just 1000 mm wide.

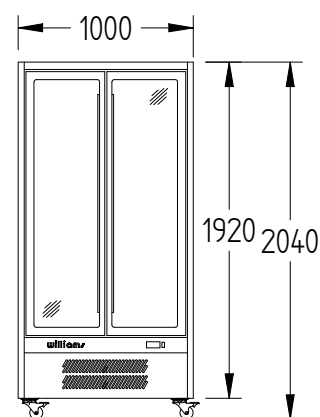

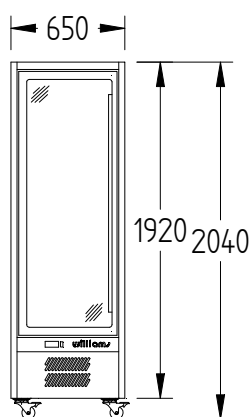

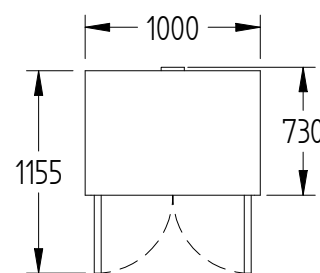

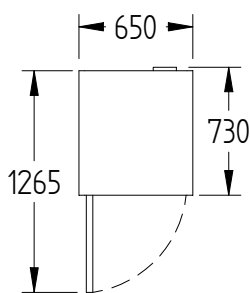

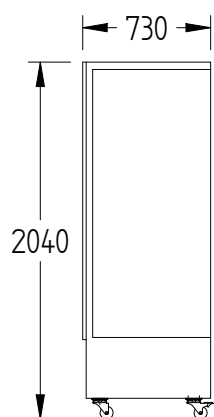

## Advantages

- 43°C ambient rating for hard working environments
- Coolsmart electronic controller for energy efficiency and even temperatures
- Easy clean covered internal liner
- Bottom mounted refrigeration system
- Waste heat recovery vaporiser system—no need for external drain
- Long life and energy efficient 12 volt LED lights
- Threaded castors allow simple leg changeover if required
- Four sets of plastic coated shelves per door
- Peace of mind auto defrost
- Designed and built to international quality standards for reliability and performance
- Optional double glazed heated doors for reduced condensation and clear view

**STANDARD HINGE ON SINGLE DOOR MODEL  
(WHEN FACING FRONT OF UNIT):**

- GLASS DOOR-LHH
- SOLID DOOR-RHH
