Williams Jade LJ1SA-HC Hydrocarbon 1 Door Freezer is designed for the busy kitchen environment and offers exceptional performance, efficiency and reliability. William hydrocarbon range uses environmentally friendly R290 gas as hydrocarbons are better for the environment and naturally occurring, highly efficient refrigerant gasses which have almost no negative impact on the environment. It features an entirely new body because it ventilates through the front, can fit into the tightest of spaces. The advanced temperature control ensures easy-to-manage operation in even the most demanding high-ambient environments.

Description

Williams Jade LJ1SA-HC Hydrocarbon 1 Door Freezer

- One door Jade Hydrocarbon series 2/1 upright storage refrigerator,

Commercial Fridge and Freezer Sales Australia. All product images are provided for illustration purposes only. All specifications are subject to manufacturer changes without notice, so please check on the manufacturer's website for current product data.

- Stainless steel interior and exterior excluding rear and under,
- Dimensions : 727mm W x 824mm D x 1960mm H (on castors),
- Self-contained cabinet,
- R290HC gas type, the hydrocarbon used by Williams, is pure propane. Its thermodynamic properties are so superior that it reduces energy consumption by up to 15% compared to standard refrigerants,
- Hydrocarbons are better for the environment Hydrocarbons (HC) are naturally occurring, highly efficient refrigerant gasses which have almost no negative impact on the environment,
- Forced air refrigeration system contained in a top mounted unit,
- Auto Defrost utilizing energy efficient waste heat recovery vaporiser,
- Adjustable electronic controller with digital temperature display,
- Self closing solid door (right hand hinged) with door lock and full-length handle,
- 4 x adjustable plastic coated 2/1 Gn shelves and four pairs of anti-tilt tray slides,
- Solid doors,
- On castors (legs can be supplied with cabinet- adds 30mm to cabinet height),
- Designed for 43°C ambient temperature,
- On heavy duty swivel and brake castors

Williams Jade LJ1SA-HC Hydrocarbon 1 Door freezer

Additional Information

Country of Manufacture	England
External Colour	Stainless Steel
Brand	Williams
Model	LJ1SA-HC
Warranty	2 Years
Temperature Operating Range C	-18°C / -22°C
Refrigerant	R290
External Dimensions (mm)	727mm (W) X 824mm (D) X 1960mm (H)
Capacity/Volume	620Litres
Leg / Caster information	Swivel Casters with brakes
Power Information	10amp
Power Usage	5.6KWH/24Hr
Door Information	Solid Door
Internal Colour	Stainless Steel
No. of Shelves Included	3/Door
Gastronorm	Yes
About the Product	Williams Jade LJ1SA-HC Hydrocarbon 1 Door Freezer is a commercial quality fridge we sell for the best price with Australia wide delivery.
Inter Warehouse Product Surcharge	For WA, NT & TAS a extra charge of \$250.00 plus GST will be added to the base cost of delivery and will be required to be paid before shipment.
Manufacturer's Suggested Retail Price	\$8,295.00
