## Description

---

TME650N-AC 1 Door Chiller/Fridge with illuminated sign panel

- Upgraded with SKOPE's revolutionary ActiveCore™ refrigeration system, designed for long-life reliability with easy efficient servicing when required
- Ideal for high humidity environments, updated premium energy efficient glass using a new low-emissivity, high performance coating technology
- Patented easy to install shelf clip and numbered shelf support strip, reduces set up time and enables finer adjustments
- Significantly reduced noise and improved quality, for a quieter operation
- Modern frameless glass door design with aluminium trim
- New slotted back panel design allows chilled airflow for maximum product cooling
- Ergonomically designed, brushed stainless steel handles for easy access
- Updated Skope-connect Control with Bluetooth connectivity and pre-programmed feature
- Suitable for displaying and storing flowers, chocolates and wine - with an upper control set point at +15°C

\*Based on 30 cents per kW. Calculated using 2.46 kWh/24hr (TEC) with sign replacement panel.

**WA, NT** and **TAS** customers please review **IMPORTANT Product Surcharge** information in the Additional Information Tab above.
