A high-efficiency, top-mounted, heavy duty, 2-door display fridge suitable for front and back-of house applications including restaurants, cafés, clubs, pubs, bars, quick service restaurants, and more. Made from powder-coated, galvanised steel, the cabinet comes complete with ten plastic-coated wire shelves per door. The “frameless” glass doors provide maximum product viewing and are designed for condensation protection via the double-glazed, argon-filled, low-e, insulated panels. The high impact built-in LED lights can be timed to turn on and off according to your opening times via the free SKOPE-connect smartphone app. An illuminated sign panel is included, with space to display your own backlit branding. With M1 compliance, the fridge is engineered to store food and drinks at a standard 1°C to 4°C.

Note minimum buy QTY is a container of 24 units
