The Skipio SUR12-2D-2 Undercounter 2 Drawer Fridge is a high-quality and reliable refrigeration system that is perfect for commercial use. With a large capacity of 311 litres, this fridge can store all of your products in a compact and easily accessible design. The fridge is equipped with a digital temperature control system that enables you to set the temperature to your desired level with ease.

## Description

The Skipio SUR12-2D-2 Undercounter 2 Drawer Fridge is also designed with an efficient refrigeration system and fan cooling type, which provides consistent and uniform cooling throughout the fridge. This fridge is equipped with two drawers, making it easy to organize your products and access them whenever you need. With magnetic door gaskets and high-density polyurethane insulation, the fridge maintains its temperature and ensures energy efficiency. The CFC-free refrigerant and hot gas condensate system provide a more eco-friendly and efficient operation.

- Inner temp: 1 °~ 8°C
- 2 Drawers + 1 Door
- 1 Shelf
- Capacity: 280 Ltr
- Fan cooling type
- Digital temperature control
