Introducing the Turbo Air K-Series KGR18-3-N(HC) Under Counter 3 Glass Door Freezer, a versatile and efficient refrigeration solution for your business. With its Digital Temperature Control System and high-tech monitor, you have precise control over the inner temperatures ranging from 1° to 8°. The left-hand side compressor and front breathing system ensure optimal performance and space-saving installation. Featuring three glass doors and a spacious capacity of 538L, this undercounter freezer offers convenient visibility and ample storage space. The stainless steel exterior and interior provide durability and cleanliness, while the high-density polyurethane insulation guarantees excellent temperature retention.

## Description

The Turbo Air K-Series KGR18-3-N(HC) Under Counter 3 Glass Door Freezer is a reliable and efficient refrigeration solution designed for under-counter placement in commercial settings. With its three glass doors, this under-bench freezer provides easy access and excellent visibility to the stored items.

Equipped with a digital temperature control system, you can easily adjust and maintain the desired temperature inside the freezer. The left-hand side compressor and front breathing system ensure efficient operation and easy installation even in tight spaces. The high-tech monitor continuously monitors the operating conditions, ensuring optimal performance and reliability.

This freezer utilizes the environmentally friendly HC refrigerant and incorporates a hot gas condensate system to prevent water overflow and enhance energy efficiency. The ventilated cooling system guarantees even distribution of cold air throughout the cabinet, while the high-density and CFC-free polyurethane insulation ensure excellent thermal efficiency.

With a capacity of 538 liters, this under-counter freezer offers ample space for storing a variety of frozen items. The inner temperature range of 1° to 8° provides flexibility to accommodate different products. The adjustable, heavy-duty, PE-coated

wire shelves allow for customized organization, adapting to your specific storage needs.

Turbo Air - Digital Temperature Control System  
3 Glass doors underbench Fridge  
Left hand side Compressor  
Front breathing system applied  
High-Tech Monitor  
HC Refrigerant applied  
Hot Gas Condensate System  
Capacity - 538L  
Inner Temps 1 to 8  
Ventilated Cooling  
High-Density and CFC free Polyurethane Insulation  
Adjustable, Heavy Duty, PE Coated Wire Shelves  
Stainless steel exterior and Interior  
Refrigerant R-290 Amps 1.4, Power 280W  
Dimensions 1800x700x855mm Inc Castors  
Weight 127Kgs  
220V-240v/50Hz/1, 10amp plug  
3 Adjustable shelves included

## Additional Information

Country of Manufacture	Asia
External Colour	Stainless Steel
Brand	Turbo Air
Model	KGR18-3-N
Warranty	3 Years on Parts and Labour
Temperature Operating Range C	1°~8°
Temperature Display / Control	Digital control
Climate / Ambient Temperature Rating	35°
Refrigerant	R-290
External Dimensions (mm)	1500 mm (W) x 700 mm (D) x 855 mm (H)
Capacity/Volume	538
Other Details	Turbo Air Self Cleaning Condenser Upright Top Mount on castors
Power Usage	280W
Door Information	Door hinged = LH, RH
Packaged Dimensions (mm)	1870 mm (W) x 820mm (D) x 925mm (H)
Interior Lighting	Yes
GEMS & MEPS Approved	Yes
Manufacturer's Suggested Retail Price	\$5,310.00
