Introducing the Turbo Air K-Series KUF9-2D-2-N(HC) Stainless Steel Double Drawer Under Counter Freezer, a versatile and efficient freezer designed for commercial kitchens. With its two drawers, this underbench freezer provides convenient storage and easy access to your frozen goods. The left-hand side compressor, along with the front breathing system, ensures optimal performance and easy installation. Equipped with a high-tech monitor and digital temperature control system, you can easily adjust and monitor the temperature to maintain precise freezing conditions. The freezer utilizes HC refrigerant and features a hot gas condensate system for improved efficiency. With a capacity to accommodate two full-size 150mm deep GN-pans (GN pans not included), it offers flexible storage options. The inner temperature range of -21 to -12 degrees Celsius ensures ideal preservation of your products.

Description

Introducing the Turbo Air K-Series KUF9-2D-2-N(HC) Stainless Steel Double Drawer Under Counter Freezer, a versatile and space-saving solution for your commercial kitchen's freezing needs. This under bench freezer features two spacious drawers that provide convenient access to your frozen products while optimizing storage efficiency. Equipped with a digital temperature control system and a high-tech monitor, you can easily regulate and monitor the internal temperature of the freezer, ensuring that your items are kept at perfect freezing conditions. The left-hand side compressor and front breathing system make installation hassle-free, allowing the unit to fit seamlessly into your kitchen setup.

With HC refrigerant and a hot gas condensate system, this freezer is designed for energy efficiency and environmental sustainability. The capacity of two full-size 150mm deep GN pans (2 X 1/1 GN pans) offers ample storage space for your frozen goods, while the ventilated cooling system ensures consistent temperatures throughout the unit.

The high-density and CFC-free polyurethane insulation contributes to excellent temperature retention and energy savings. The stainless steel exterior and interior (SUS 439) not only provide durability and longevity but also make cleaning and maintenance a breeze.

Turbo Air - Digital Temperature Control System
2 Drawers Underbench Freezer
Left hand side Compressor
Front breathing system applied
High-Tech Monitor
HC Refrigerant applied
Hot Gas Condensate System
Capacity - 2 full size 150mm deep GN-pans (2 X 1/1 GN pans)
Inner Temps -21 to -12
Ventilated Cooling
High-Density and CFC free Polyurethane Insulation
Stainless steel exterior and Interior SUS 439
Refrigerant R-290 Amps 2.5, Power 400W
Dimensions 900x700x855mm Inc Castors
Weight 84Kgs
220V-240v/50Hz/1, 10amp plug
0 Adjustable shelves included
GN pans not included
Maximum 150mm deep GN pan
No LED light

Additional Information

Country of Manufacture	Asia
External Colour	Stainless Steel
Brand	Turbo Air
Model	KUF9-2D-2-N
Warranty	3 Years on Parts and Labour
Temperature Operating Range C	-21°~-12°
Temperature Display / Control	Digital control
Climate / Ambient Temperature Rating	35°
Refrigerant	R-290
External Dimensions (mm)	900 mm (W) x 700 mm (D) x 855 mm (H)

Capacity/Volume	198
Other Details	Turbo Air Self Cleaning Condenser Upright Top Mount on castors
Power Usage	400W
Packaged Dimensions (mm)	970 mm (W) x 760mm (D) x 1105mm (H)
Interior Lighting	No
GEMS & MEPS Approved	Yes
Manufacturer's Suggested Retail Price	\$4,030.00
