Fresh Refrigeration FRB-72RS Bottom Mount Upright Three Door 1912L Fridge, a powerhouse of precision cooling. Its advanced digital temperature control and monitoring system ensures optimal freshness, complemented by a hot gas condensate system for efficiency. The stainless-steel finish exudes modernity, while the galvanized steel back and bottom guarantee durability. Inside, the refrigerator maintains products between 32°C to 41°C. User-friendly features include auto-closing doors, pressure release devices, and easy-grip handles. With safety shielded LED lighting, sturdy wire shelves, and heavy-duty casters, it's a blend of innovation and reliability. Choose the FRB-72RS for exceptional refrigeration, and explore optional models with reversible doors and eco-friendly refrigerants.

## Description

# Fresh Refrigeration FRB-72RS Bottom Mount Upright Three-Door Fridge,

an epitome of advanced cooling technology and durability. Boasting a digital temperature control and monitoring system, coupled with a hot gas condensate mechanism and automatic defrost system, this fridge ensures precise temperature maintenance. Its robust stainless steel finish on the top, front, sides, and doors, along with a galvanized steel back and bottom, promises both resilience and modern elegance.

The user-centric design features auto-closing doors, a pressure release device, and sturdy easy-grip handles, ensuring effortless accessibility. The refrigerator section maintains products between 32°C and 41°C (0°C and 5°C), guaranteeing optimal storage conditions. With safety shielded LED lighting, heavy-duty casters, and optional features like a left-hinged model and environmentally-friendly refrigerant, the FRB-72RS stands as a pinnacle of cooling excellence.

- Cutting-Edge Cooling: Advanced digital temperature control for precise maintenance.
- Unwavering Performance: Hot gas condensate & auto defrost ensure reliability.
- Enduring Elegance: Stainless steel finish, galvanized steel back - resilience & style.
- User-Focused Design: Auto-closing doors, pressure release, easy-grip handles.
- Ideal Storage: Fridge (32°C to 41°C) for optimal conditions.
- Enhanced Accessibility: Safety-shielded LED lighting, sturdy casters.
- Tailored Options: Left-hinged model, eco-friendly refrigerant choice.
- Epitome of Excellence: FRB-72RS - where innovation meets durability in cooling.
