SKOPE Serene HB85 Counter Top/Bar Display Fridge/Chiller Greenhouse and Energy Minimum Standards (GEMS) Star Rating 10 Product Temperature Class M1 (-1 to 5°C) Total Energy Consumption 0.95 kWh/24 h Annual Running Costs \$104 (@ \$0.30/kWh)

## Description

Your search for an energy efficient glass door merchandiser ends with the Skope HB 85. This countertop or bar chiller is one of the best compact vertical glass door chillers available today. Due to its compact frame, it can also be placed under the counter. This commercial chiller provides a total storage capacity of 82 litres and is ideally suited for bars, clubs, cafes, restaurants, clinics, pharmacies, specialty stores and convenience stores.

- Greenhouse and Energy Minimum Standards (GEMS) Star Rating 10 Product Temperature Class M1 (-1 to 5°C) Total Energy Consumption 0.95 kWh/24 h Annual Running Costs \$104 (@ \$0.30/kWh)
- This chiller comes with a right-handed hinged door featuring triple glazed, argon-filled, toughened safety-glass. Inside this compact chiller are two white plastic-coated wire shelves that are perfect for storing and displaying beverages or

pre-packaged food.

The Skope HB 85 1 Door Chiller integrates a plumbing-free design and uses forced air ventilation to maintain temperature and to provide optimised cooling. It comes with an adjustable foot stand, and features a key lock on the door. If you are looking to buy a countertop chiller online in Australia that serves as a beverage cooler and increases the chances of customers making an impulse purchase, then the HB 85 from SKOPE is a great option.
