Description

Bromic FHM1250HD-NR Full Height Multideck 2 Glass Door Fridge 1250mm

<https://www.commercialfridgefreezer.com.au/bromic-fhm1250hd-nr-full-height-multideck-2-glass-door-fridge-1250mm/>

Commercial Fridge and Freezer Sales Australia. All product images are provided for illustration purposes only. All specifications are subject to manufacturer changes without notice, so please check on the manufacturer's website for current product data.

The **Bromic FHM1250HD-NR Full Height Multideck 2 Glass Door Fridge (1250mm)** is a premium commercial refrigeration solution designed for maximum visibility and efficiency in retail and hospitality settings. With its full-height structure and two glass doors, it provides an excellent display for a wide variety of chilled products, making it perfect for supermarkets, convenience stores, cafes, and other high-traffic environments.

Features:

- **Full-Height Design:** Offers ample storage space and an optimal display area for showcasing products such as beverages, snacks, and pre-packaged foods.
- **Two Glass Doors:** Provides easy access while ensuring excellent visibility for customers, helping to boost impulse purchases.
- **Energy-Efficient LED Lighting:** Bright LED lighting illuminates the interior for enhanced product presentation while reducing energy consumption.
- **Spacious 1250mm Width:** A generous 1250mm width ensures plenty of storage capacity, making it ideal for high-volume use and larger product displays.
- **High-Performance Cooling:** Equipped with a powerful refrigeration system that delivers reliable, consistent temperature control to keep products fresh and chilled.
- **Adjustable Shelving:** Flexible shelving system allows for customization to accommodate different product sizes and maximize storage capacity.
- **Durable Construction:** Built with high-quality, robust materials for long-term reliability and performance in busy commercial environments.
- **Front Venting System:** Promotes efficient airflow and allows for proper ventilation, making it suitable for placement in tight spaces.
- **Modern Design:** A sleek, contemporary design that blends well with various store or café interiors while ensuring functionality.
- **Self-Closing Doors:** The glass doors are designed to close automatically, helping maintain internal temperature and reduce energy consumption.

The **Bromic FHM1250HD-NR** is a reliable and visually appealing fridge that offers both practicality and style, making it the perfect addition to any commercial space looking to showcase and store chilled products efficiently.
