MISA M-3C24-F Freezer Room & FB20N/10 FreeBlock(2230 x 2230 x 2630mm)

The MISA M-3C24-F Modular Freezer Room (RH Hinged) comes with a MISA high density MSV patented polyurethane panel system which is fire resistant, moisture resistant, HFC and CFC free and environmentally friendly. A key advantage of the MISA modular system is that it is applicable to many environments - cool rooms, freezer rooms, both commercial and industrial processing plants. Boasting a quick assembly or disassembly time with MISA patented "fast fit" locking and providing optimum flexibility by allowing you to add or delete panels as required, the Skope MISA M-3C24-F Modular Freezer Room (RH Hinged) is a smart and flexible solution for you.

- Italian quality and design.
 - Right hand hinged door.
Left hand hinged door option by special order.
 - Capacity: Volume 10.01M³
 - Patented MVS (MISA Vacuum System) high density isothermal polyurethane modular panel system for excellent insulation and greater energy efficiency.
 - MISA patented "fast fit" twin hook cam-lock system for quick and easy assembly and disassembly.
 - MISA 100mm polyurethane panels are up to 50% more efficient when operating at 43°C compared to 75mm and 80mm EPS panel systems.
 - Easy to clean; internal and external rounded corners and unique integrated coving provides for superior food grade sanitation.
 - Shielded electronic controller with simple to use digital temperature display.
 - MISA P250 Roll-in insulated flooring made from high density reinforced polyurethane and ply covered by 0.7mm galvanised steel with anti-slip plastic coating.
 - Internal safety release and bells on door.
 - Hinged doors fitted with key locks.
 - Door opening 805W x 1870H.
 - ISO 9001 Certified Quality System.
 - Robust integral LED lighting to maximise product presentation while minimising energy consumption.
- High ambient temperature, ideal for difficult climatic conditions.
 - Sliding doors available in a variety of sizes. By Special Order

INSTALLATION may be available in your State. Contact Us for more information.

Installation costs start from \$1,850.00 plus GST.

Additional Information

Country of Manufacture	Italy
External Colour	White
Brand	MISA
Model	M-3C24-F

Warranty	12 months
Temperature Operating Range C	-18°C to -20°C
Temperature Display / Control	Yes
Climate / Ambient Temperature Rating	Ambient Rating C = 43°C
Refrigerant	R290
External Dimensions (mm)	2230mm (W) x 2230mm (D) x 2630mm (H)
Internal Dimensions (mm)	2030mm (W) x 2030mm (D) x 2430mm (H)
Power Information	Power supply = 240V, 415 (Three) phase
Power Usage	Power usage KWh/24hr/m ² = TBA
Door Information	Door hinged = RH
Interior Lighting	LED, with Internal Light Switch
Internal Colour	White
Defrost Auto or Manual	Automatic
Clear Door Opening Width	Door opening 805W x 1870H
Extended Warranty Available	Yes
